Dear First Grade Families,

We are super excited to be celebrating FAIR Pilgrim Lane Virtual Spirit Week with you and your families. We have made each day filled with fun and engaging activities that surround the theme for each day. In order to make these days easy to follow, we are only providing slides. We will post the slides daily on Seesaw too!

**Here are the daily slides along with some of the things to prepare ahead of time:**

**Monday** - No School, Memorial Day

**Tuesday Dragon Day:** Wear Dragon Wear or colors (purple and green)

**Wednesday Studio Art Day:** Look through the slides ahead of time to decide which projects you would like to complete. The Visual Arts Slide has a list of needed materials for each project.

**Thursday Camp Day:** If you would like to create a camping atmosphere you may want to build a fort or put up a tent, get a flashlight, have healthy camping snacks.

**Friday Field Day:** Please register for this event. Here is a list of all the materials needed for each event.

If you have any questions please let us know. We hope you have a Fabulously FUN week!

The First Grade Team
